“Proclaiming God’s love revealed in Jesus Christ and his People”

The Messiah Herald

August 2013

Brothers and Sisters in Christ,

How much do you remember from catechism or confirmation class? Are you the same person today as you were at 12 or 13 or even 15? Did you grow up in another faith tradition? Did you ever come to understand what made Lutherans different from other denominations or what makes us firmly planted in the Body of Christ and like other denominations?

These are questions I hope to help folks with this fall as I teach a Lutheranism 101 course. It will be a course for adults about our faith as Christian and or expression of that faith as Lutherans within the Body of Christ. We will look at the Bible, the Small Catechism, some history and wrestle with issues that still impact daily life today.

Two time slots will be available each week. The first is Sunday mornings during Sunday school and the second will be Monday evenings at 7:00pm. We will meet in the Adult Sunday School room near the library or make other arrangement for space if necessary. Anyone wanting to join Messiah as their church home can use this course as their new member class.

The text for the class will cost \$20 and can be found here at [LUTHERANISM 101 text Amazon](#) and in [Kindle Edition](#). I will be providing the course book which you may see here ([Lutheranism 101: THE COURSE](#)). There is even a [Lutheranism 101 for Kids](#) that you can use at home with your children. The material is from the Concordia Publishing House. You can get a bit of a preview with the Kindle version.

I expect for lively discussions and sharing of insights from the whole group. What I hope will emerge is an understanding of the practical nature of the Lutheran understandings of scripture and justification by grace through faith. We live in an increasingly technological and complex world. All around us people are struggling to find spiritual roots and insights that help them in their daily living. At its core that is the same foundation for which Luther wrote the catechisms, for teaching the power of faith and trust in God’s grace and the life, death, and resurrection of Jesus Christ.

I hope that many of you will consider joining me in this course and that if you have friends or family who are, also, in search of spiritual answers and anchors for their lives you will invite them to join us, too.

I am excited about this opportunity helping us all discover how our faith is constantly being renewed and can be ever vibrant in our living.

We will kick off this fall with a day of service on Sunday, September 8th as we join together in a day of **“God’s Work, Our Hands.”** We will study during Sunday School, celebrate during worship and then head out to serve across our community.

The ELCA theme reminds us we are **“Always being made New.”**

Yours in Christ,

Pastor Bill

Juniata County Food Pantry August Update

Dear Friends,

As the summer heats up, we are still working hard to overcome setbacks in our Walk-In-Freezer/Cooler project. Please pray that our dedicated crew is able to overcome all obstacles and produce functioning cold storage units by summer's end.

In June 2013, the Food Pantry served 322 families in need – a total of 959 individuals. A special thank you to Messiah Lutheran Church for providing volunteers for the month.

Help STILL Needed!

- 1) Regular (every week) Saturday morning volunteer to help customers with groceries, and do some shelf stocking. Must enjoy working with people.

25 YEARS TOGETHER IN CHRIST

We, the Evangelical Lutheran Church in America (ELCA), celebrate our 25th anniversary in 2013. We are a church that is deeply rooted – and always being made new.

Mark your calendar!
"God's work. Our hands." Sunday
September 8, 2013

For 25 years, the ELCA has been a church deeply rooted in faith and in sharing its passion for making positive changes in the world.

To celebrate our anniversary and our church's commitment to sharing God's love with our neighbors, your congregation is called to take part in a dedicated day of service on **September 8** known as *"God's work. Our hands." Sunday*.

You work every day to welcome your neighbors and make your community a better place. Now let's do it together as one body, using our hands to do God's work in Jesus Christ's name.

Imagine the nearly 10,000 congregations of our church serving meals, cleaning up neighborhoods, making quilts for refugees or simply visiting the neighbors who need us. We are a church that rolls up our sleeves and gets to work.

More information will become available in May, including how to order your *"God's work. Our hands." Sunday* t-shirts and a toolkit designed to plan for the dedicated day of service at: www.ELCA.org/25years.

"GOD'S WORK. OUR HANDS" SUNDAY

Here's an opportunity to celebrate our 25th anniversary as the Evangelical Lutheran Church in America — one church, freed in Christ to serve and love our neighbor. We are a church that rolls up our sleeves and gets to work.

On September, 8, 2013, let's join together as 4 million members, nearly 10,000 congregations, 65 synods and the churchwide expression for a dedicated day of service.

Let's clean up neighborhoods, deliver meals, collect supplies for refugees overseas, visit our neighbors or help a child learn to read.

You work every day to welcome your neighbors & make your community a better place. Now let's do it together as one body, using our hands to do God's work of restoring/reconciling communities in Jesus Christ's name throughout the world.

Here is a link to resources (bulletin inserts, T-shirts, toolkit) to help prepare your congregation's dedicated day of service.

INSPIRATIONAL IDEAS FOR SEPT, 8, 2013

Every year for the past several years, Luther Memorial Lutheran Church in North Syracuse NY holds a Mission Sunday where individual members are encouraged to look at their community with new eyes, see a need that God is

calling them to fill, gather friends and family to help – and JUST DO IT! God's Work. Our Hands. Here are a few ideas from a previous year's Mission Sunday. May you be inspired to think of your own idea for your congregation's contribution to the ELCA-wide "God's Work. Our Hands." Sunday, September 8, 2013!

Homebound/Military Personnel Cards: The Advocacy Team made sure that each military person and each homebound person received a greeting card from Luther Memorial. About 30 were sent.

Lutheran World Relief Hunger/Water Advocacy Cards: Several folks "made a difference" by completing Lutheran World Relief cards that will be sent to Congress asking them to support development assistance for international agriculture, food security and nutrition and to support water projects that will help develop stronger communities capable of growing food, earning income and being self-sufficient.

Donations for the Military Courtesy Room @ Hancock International Airport – Mission Leaders delivered an estimated 150 lbs. of donations gathered to the Military Courtesy Room! The group toured the area available to the service members passing through and learned about Greg Harris (who the room is in honor of). Our goal was to fill their shelves so the troops passing through Syracuse will have food and drinks available free of charge.

Pay-It-Forward (FREE!) Car Wash – Several families enjoyed their mission day by providing a community car wash. We had a great day and lots of fun and laughs. We reached about 5 individuals in the community. One individual inquired about

Inspiration for "God's Work. Our Hands." Sunday, September 8, 2013

getting involved with military efforts. We were pleased to say that our church provides this service and referred them to and also referred them to the church office as they were also looking for services for their young child. Our beliefs are if we reached out to one new family we accomplished a wonderful goal.

Helping Hounds Dog Rescue Food Collection Drive
Mission Leaders spearheaded this project in memory of their little dog of 18 years. Approximately 60 pounds of food and some cleaning supplies that were collected over the past weeks were delivered to Helping Hounds Dog Rescue, a shelter and adoption program located in Dewitt; cat supplies went to the CNYSPCA. Both organizations were very grateful to be remembered by the church members.

Kennedy Park Clean-Up – The Mission Leader enlisted her family members and off they were to Kennedy Park (off of Chestnut Street) to do some needed maintenance work on the park grounds. Unfortunately, the rain kept them at bay but didn't dampen their enthusiasm to help in the future.

Dress A Girl Around the World, Mission Leaders set a goal of making 100 dresses by September that will be sent to children to Africa. These delightful dresses are fast, easy and fun to make. Thus far, we have just about 18 completed, with more in the works. For those who wish to sew over the summer, please do so! We will continue to hang your dresses up in the fellowship hall and will report back in the fall with a final count.

Yard Work at Syracuse Behavioral Healthcare Women and Children's Program. Mission Leaders again enlisted family and friends to clear brush and provide needed yard work at the facility.

Knitted and Crocheted Squares for lap blankets for the VA Hospital – About 50 squares (and counting!) have been knitted and crocheted to donate to this worthwhile cause. A woman in the community will take the squares and crochet them together into lap blankets. One knitter helped a

great deal by getting us started with a pattern (size 9 needles; cast on 22; knit until you get 6" in length)

Syracuse VA Hospital, Syracuse Visit and Choir Sing-Along

The choir took a journey along with friends to the Syracuse VA hospital long term care wing. We arrived as folks were having their noontime meal. We sang for up to 40 people, when we first arrived. We sang anthems and favorite old hymns, with some trying to join in. One lady brought her dear one's wheelchair right up front to hear us better, while she sang along with us.

Parkrose Estates Hymn Sing

Residents of Parkrose Estates, a retirement center for independent seniors, thoroughly enjoyed a hymn sing combined with members of Luther Memorial on Sunday, June 12. Twelve hymns had been enlarged and duplicated by for song sheets and were led by an accomplished resident pianist and his guitar. Surely the Holy Spirit was with us as 38 of our Protestant and Roman Catholic friends were united in praising our Lord in song.

Garage Removal and Backyard Cleanup - Our very first mission project began in early May over a three day period and is just now wrapping up (officially!). During the winter, the weight of the snow had toppled an entire garage at a home in Syracuse. The garage needed to be cleared away and the debris removed and disposed of properly. Licensing fees, equipment and the talents of skilled personnel were donated by a local demolition company to assist volunteers from our congregation tackle this large job. Once the debris was removed, a crew from Luther Memorial moved in and did a great job sprucing up the backyard for summertime enjoyment.

Feed The Workers Staying to Work at Church – A Mission Leader's family made cookies, ham strata and hot dogs for the people staying at church who wrote cards to our shut-ins, provided a free car wash and other tasks.
